Penn Dixie/Hamburg Natural History Society Fundraiser

Buffalo Riverworks is the site for the **November 2** fundraiser event for Hamburg Natural History Society/Penn Dixie. The event will be 6-9pm at 359 Ganson St., Buffalo. There will be silent and voice auctions for sports tickets, artwork,

Birders Conference in Western New York

The New York State Birders Conference and New York State Ornithological Association will have their annual meeting in Niagara Falls from **November 10-12**. The meeting is timed to coincide with excellent Niagara birding with our gulls and other shorebirds. A number of speakers and field trips are planned for the event. For details, visit <http://www.buffaloorithologicalsociety.org/nysoa/>

NYS Invasive Species Conference – CCE In-Service

The annual Agriculture, Food & Environmental Systems In-Service allows for the gathering of faculty, educators and

Nature Expedition with Earth Spirit

Earth Spirit Educational Services is offering their Winter Yellowstone trip from **December 9-17, 2017**. The trip includes 8 nights lodging at Lamar Valley Cabins, 2 meals (brunch, dinner) per day, transportation, cozy fires, folk guitar songs, daily wolf and wildlife watching, meetings and adventures with Nat Geo Photographer Dan Hartman, snowshoe hikes, and more! Cost is \$2500. For info, visit <http://www.earthspiritedu.org/excursions/index.html>

2018 Legacy Cities Preservation Conference in Buffalo

Preservation Buffalo Niagara is thrilled to announce that Buffalo will be hosting the next Legacy Cities Preservation Conference from **July 11th – 14th, 2018**. This will be the third biennial interdisciplinary convening of preservationists, community developers, economic developers, urban planners, urban policymakers, urban designers, and others. It will be an opportunity to collaborate, share ideas, and devise solutions for creating a more integrated approach to planning for the future of Legacy Cities, bringing historic preservation into urban policymaking, and crafting a 21st century preservation profession that is responsive to the needs and conditions of Legacy Cities and our diverse inhabitants. Check back for [more info](#).

Adopt-a-Horse: Support the Solar-Powered Heritage Carousel

A solar-powered historic carousel is planned for Canalside in 2018. The Buffalo Heritage Carousel, Inc. is currently restoring the 1924 Spillman carousel which features 34 hand carved and painted animals and 3 chariots, with most currently needing restoration. Consider adopting one of the animals or contributing to the efforts of the project. Adoption status recognizes the sponsor with a plaque on the carousel and the right to name the animal. For info, visit <http://buffaloheritagecarousel.org/>

Food Policy Council Seats Open

The Food Policy Council of Buffalo and Erie County (FPC) is now accepting applications for 5 open seats on the Council. The FPC was created in May 2013 as a sub-commission of the Erie County Board of Health. Our mission is to build and strengthen a sustainable and just regional food system through policy recommendations, awareness and

The Foundry Offers Hands-on Classes: Build your own Furnishings

Hemlock Woolly Adelgid Educational Video

The New York State Hemlock Initiative is sharing an educational video to inform the public about their efforts to the Hemlock Woolly Adelgid. Mortality due to Hemlock Woolly Adelgid (HWA) in New York has increased at an alarming rate recently. For info, visit [here](#). View video at <https://www.youtube.com/watch?v=AupnMjYaI0Q>.

Cornell Small Farms Program Offers Online Courses

Cornell Small Farms Program offers over twenty courses to help farmers improve their technical and business skills. Students connect with other farmers, work on farm plans, and gain practical tips without leaving their home. Each week features an evening webinar and follow-up readings, videos, and activities. If you aren't able to attend the webinars in real-time, they are recorded for later viewing. Check the listings at <http://www.nebeginningfarmers.org/online-courses/>.

DEC Surveys Endangered Mussel Population in Western NY

In early September, DEC Region 9 staff surveyed Cassadaga Creek for the federally and NYS-endangered [clubshell mussel](#) (*Pleurobema clava*). DEC staff had stocked the mussels in 2015 and 2016 as part of a project with the U.S. Fish and Wildlife Service and the Pennsylvania Fish and Boat Commission to bolster the population in western New York. The survey turned up 175 tagged mussels and revealed a preliminary survival rate of 50-75%.

[Greening STEM](#) -infographics, toolkits, activity guides, and video resources contain free educational material in popular environmental topic areas that incorporate elements of STEM. Many of the activities and resources include project-based learning, service-learning, and citizen science components.

[Flipside Science](#) is a youth-powered series that tackles complex environmental topics and empowers viewers to make a difference. This engaging and upbeat collection of videos, hosted by California Academy of Sciences youth, explores how local communities are addressing environmental problems.

[Sustainability in Schools Simulation Game](#)- The Education for Sustainability program has designed a simulation game to show how to identify sustainability related projects that make financial sense and weave them together into a coherent strategy that takes advantage of synergies. It also shows how to use those projects in curriculum.

[Cool Science Jobs](#) They also include vocabulary and can be used as mini-lessons in the classroom.

[Keep Wild Animals Wild](#) lesson plans, videos and worksheets provide everything educators need to introduce students to what makes wild animals wild, why wildlife trade is a big threat not just to animals and ecosystems, but to people too, and how to help keep wild animals wild.

[Black bear curriculum](#) - provides of free multimedia resources on black bears for educators and students.

[12 Pathways to Greening Your School](#) is designed for you to use September - June (1-10) with two serving as year-round learning tools. But, you can put them in any order that aligns with your program. If you'd like to have access to all of these Pathways please become a [FREE MEMBER NOW!](#)

[Faces of EPA](#)-Learn about careers in the EPA and get to know EPA staff. The videos spotlight employees ranging from special agents, to ocean explorers, and others as they explain their career paths and passion for their work.

[Project Localize](#) is a customizable curriculum

Grant and Scholarship Opportunities

[Plant America Grants](#)- sponsored by National Garden Clubs, Inc. for new or existing club projects in their respective

[Aquarium of Niagara Internships](#)-Opportunities for high school or college students to work with marine mammals, fish, penguins and turtles. Certain requirements must be met.

[Clean Air Coalition Internships](#)-The Clean Air Coalition is a grassroots environmental health and justice organization based in Buffalo, New York. It works to build power by developing grassroots leaders who run and win campaigns that advance environmental justice and public health in the region. All internships include some operations and administrative skills engaging community leaders in solving environmental health and justice organizations.

[Service Collaborative of Western New York Vista Positions/Americorps](#)-Opportunities for paid community involvement. Check out the available opportunities and eligibility. Some positions are summer only, so apply now.

Citizen Science

[Hemlock Woolly Adelgid Project](#)-Take closeup pictures of hemlock trees and fraser firs and send to scientists with GPS location data to monitor tree health and spread of the insect.

The Great Lakes Marsh Monitoring Program- is designed to collect information about the presence and abundance of bird and amphibian species in Great Lakes coastal and inland marshes, to contribute to our understanding of these species and their habitat needs. For information on assisting with local efforts, please contact: David Spiering, Regional Volunteer Coordinator Ecologist at Tiff Nature Preserve (716) 896-5200 ext. 202 dspiering@sciencebuff.org.

[Ticks and Project Acari](#)- a new citizen science project tracking tick disease. We are studying the ticks themselves, as well as 20 different known diseases that Ticks carry over

Get Handy DIY Homeowner Workshop-10am. If you're looking to cut down on contractor bills and make some of those round-the-house repairs yourself, this workshop is for you. Featuring a wide range of post-purchase topics, you'll gain the know-how and confidence to keep your house a happy and healthy home. 1239 Niagara St. Registration required due to limited space, but free event. [Get Handy! Free DIY Homeownership Workshop](#)

Sunday, December 3

Family Hike: Ellicott Creek Park-Summer is over and some of the most shared family scenic adventures is by hiking. This adventure is geared for the young at heart. Parents are welcome to join us too! Come out and join us for a morning hike from 9:00 am until approximately 11:00 am. This is the wonderful time of year when the Autumn leaves change and present to us bouquets of colors all along paths. As we get into the fall enjoy walking the paths and crunching on the crisp leaves. As we near winter enjoy walking the paths with new fresh snow falling. Dress for the weather! Your adventure is presented by the Paths, Peak & Paddles Guides and Instructors. http://www.pathspeakspaddles.com/calendar/view_entry.php?id=1101&date=20171008

Go Bike Class: Drivetrains- All classes are held at the GObike Community Workshop (98 Colvin Ave) on Sundays from 6pm-8pm. Pay what you can. Our suggested donation is \$10 and most classes are limited to 10 people. Please RSVP to stacy@gobikebuffalo.org at least TWO days prior to class if you plan to attend.

Tips for the Environment

- 1. Reduce Food Waste at Thanksgiving**- Think green beyond the green bean casserole. If you dread days of turkey sandwiches, consider freezing leftovers or resizing your cooking plans. Americans waste approximately 30-40% of our food; this contributes to our climate change problem and degradation of our natural resources. Find other tips for Thanksgiving at [ecowatch](#) and [thanks](#).

2. **Vote on Election Day**-Educate yourself on the issues. We will be voting on an environmental proposition #3. The proposed amendment will create a land account with up to 250 acres of forest preserve land eligible for use by towns, villages, and counties that have no viable alternative to using forest preserve land to address specific public health and safety concerns; as a substitute for the land removed from the forest preserve, another 250 acres of land, subject to legislative approval, will be added to the forest preserve. The proposed amendment also will allow bicycle trails and certain public utility lines to be located within the width of highways that traverse the forest preserve while minimizing removal of trees and vegetation. Yes to approve amendment, no for against the amendment.
3. **Single Use Plastic Bags**- These bags have a large environmental impact from their production for limited use to their contribution to litter and plastic pollution in our waterways. You can spread the word through social media by snapping a picture the next time you see a bag littered in your community and sharing it with #ErieBYOBag. Learn more at the Erie County website at [single-use-bag-pollution](#).

Ongoing Volunteer Opportunities Available

Volunteer opportunities are available at local organizations for a one-time commitment for several hours to a regularly scheduled donation of your time. Websites are listed later in the newsletter.

Aquarium of Niagara- Scuba-certified volunteers needed to clean the sea lion exhibit (without animals) once monthly. Other opportunities exist for education, exhibit maintenance and other tasks.

AWARE (Association for Wild Animal Rehabilitation and Education) - Volunteers needed for fundraising, grant writing, capturing and transporting animals to us or the veterinarians, public relations, construction of cages, begging for donations of materials and food (for the animals, not us) and for helping at our educational programs.

Buffalo Audubon- Volunteers wanted for Beaver Meadow Audubon Center, and For the Birds Niagara! Help with tour leading, office work, programming, grounds keeping and general maintenance. Every Wednesday 10am-2pm is Volunteer Day at Beaver Meadow. No need to register, but bring a lunch. Call (800) 377-1520 for details.

Buffalo Carshare- This new non-profit has brought car-sharing to Buffalo. Volunteers are needed for office help and promotion. Contact them at <http://www.buffalocarshare.org/volunteer.html>.

Buffalo Central Terminal-Many different opportunities for people interested in helping to preserve this unique building-people with basic carpentry and repair skills, and those with plumbing or electrical skills, to work inside the building, as well as those interested in staffing events, assisting with fundraising, marketing, etc.
