Paddle & Dine at Beaver Meadow Audubon Center

With the return of the beavers and the increase in the water level of our pond, Buffalo Audubon Society is pleased to revive Paddle & Dine. Imagine placing a canoe in the water and pushing off onto the pond at Beaver Meadow Audubon Center ([map](#)) . Imagine turtles, Great Blue Herons and Beavers sharing the water with you as you silently glide over the still surface and enjoy

dinner in the Center followed by dessert on the terrace and lawn. This unique event will be held on **Saturday August 24th** from 6:00pm on. The cost is \$75 per person, including wine and beer. All proceeds benefit Beaver Meadow and the Buffalo Audubon Society. Space is limited, so call the Center at (585) 457-3228 to reserve your spot. **Reservations must be made by August 17.**

Olmsted Rocks the Party for the Parks

On Friday, **September 6th**, Party for the Parks returns to the Marcy Casino in Delaware Park! This year's theme is "Olmsted Rocks!" and will draw on the rich and storied history of rock and roll. Party for the Parks is the annual summer-ending, over-21 party that benefits the Buffalo Olmsted Parks Conservancy. This year's Party for the Parks will feature an amazing array of rock music, performancesf (s)7(i)-12(c)-4

Locavore Challenge

In recognition of National Organic Harvest Month, Northeast Organic Farming Association of New York is once again launching their month-long Locavore Challenge in September to inspire awareness and action in eating locally and organically through events and activities held around the state and online. Think you've got what it takes to be a true Locavore? [Register now](#) and join hundreds of people who are participating in the Challenge. All month we will bring you tips, encouragement, event updates, and even introduce you to some great farmers. Join the community- it's free! To get inspired and stay connected to the Locavore Challenge community, visit our [Locavore Challenge blog](https://www.nofany.org/events/locavore-challenge)<https://www.nofany.org/events/locavore-challenge>

New York Interfaith Power and Light Wants to Connect Congregations

Do you belong to a religious congregation that promotes stewardship of the Earth? Want to connect with other, like-minded congregations? New York Interfaith Power and Light (NYIPL) is pleased to announce that they have a new listserv that will allow you to interact with congregations across the state. Ask other congregations for practical ideas on environmental stewardship. Or share your own wonderful ideas and experience. To register, you need to belong to a congregation that is a member of NYIPL. To see if your congregation is a member, [click here](#). If your congregation is not a member, WE WANT YOU! [Click here](#) to sign your congregation up. Then, to sign up for the listserv, [click on this link](#) and enter in your email address.

2012 State of the Environment Report for Erie County

The Erie County Environmental Management Council has released its 2012 State of the Environment Report. The report provides recommendations for prioritizing action to improve our local and regional environment. For the full report, visit [here](#).

Climate Change Data

LMI-ClicKE is an online database to explore, analyze, evaluate, and compare nearly 3,000 scientific findings related to climate change drawn from the Fourth Assessment Report (AR4) of the Intergovernmental Panel on Climate Change (IPCC). These findings span 44 chapters and thousands of pages so locating important findings that relate to your particular concerns is a daunting task. Users can search and filter climate change findings based on various criteria including: topic, source, geographic region, time period, and level of uncertainty. ClicKE allows you to focus on what is known and not known about climate change for the problem of interest to you. To access, visit <http://clicke.lmi.org>.

Free Climate Assessment Videos Archived

The National Climate Assessment videos, part of a series organized and co-produced by [Second Nature](#), are available for viewing. SSF members can [access the recording and download](#) the slides from this webinar and the others in the archive. If you are not an SSF member, registration is free and gives you free access our entire video archive. The Sustained Assessment is a recommendation in the draft National Climate Assessment released

Congress for the New Urbanism

[2012 Choices for Sustainable Living](#) from the Northwest Earth Institute provides updates to the previous edition on ecological principles, food, community, consumption, the economy, and includes a new section on transportation.

[Great Lakes in My World](#) curriculum is a Great Lakes teaching tool for grades 9-12.

[Team Wild Online Game](#)-ARKive recently launched the Team WILD game as a fun and unique way for students to discover the importance of a career in conservation and science by turning scientists into superheroes! From jungle to savanna, rainforest to coral reef, students will discover a diverse range of field tasks a conservation scientist or ecologist must do in order to pr curriculum-linked teaching resources, topic pages linked to the game content and discussion points, encouraging students and teachers to continue their learning journeys by exploring the topics touched upon in the game.

[Think Garden Video Series](#)-This video collection was produced by Kentucky Educational Television (KET) for elementary students as a teaching tool about growing food and all elements around food gardening.

Contest and Award Opportunities

[Friends of Iroquois National Wildlife Refuge Photo Contest](#)- Photos may be submitted in a number of categories. All entries must be taken in public areas or during events at Iroquois National Wildlife Refuge between September 1, 2012 and August 31, 2013. Deadline is **August 31, 2013**.

[Save Energy and Win Awards](#)-Registration is now open for America's Home Energy Education Challenge (AHEEC), a national student competition for grades 3-8, administered by NSTA for the Department of Energy. The competition gives students the chance to learn about energy, develop techniques for reducing energy consumption, and save money in their own homes by reducing household energy use. Teams of kids, grades 3-8, can win up to \$10,000 in prizes for their school or organization. Team registration ends **November 15**.

Grant and Scholarship Opportunities

[Home Depot Community Impact Grants Program](#) provides support to nonprofit organizations, public schools, and public service agencies in the U.S. that are using the power of volunteers to improve the physical health of their communities. Proposals for the following community improvement activities will be considered: repairs, refurbishments, and modifications to low-
